PARK & STRIDE

St Jude's C Of E Primary School

We understand that some families need to drive children to school.

If you live outside the catchment area or travel directly to/from work so can't avoid travelling by car, why not 'Park & Stride' by parking further from school and walking the rest of the journey?

This reduces traffic congestion on roads closest to school, plus it's great exercise and helps develop cleaner air! The map indicates roughly how long you'll need to walk if you park within the marked areas and includes parking zones and areas with parking availability.

School streets zone

5 minutes walk

10 minutes walk

School crossing patrol

Lights controlled crossing

Pedestrian crossing

Zebra crossing

Free 1 hour parking

Free parking spaces closest to the school

Some free parking available, mainly pay and display parking

Drop-off zone
